Re: Volunteer Opportunities

Dear Holy Redeemer Families,

As this year is quickly coming to a close it is time to start planning for the next. Enclosed with registration is the volunteer sign-up sheet.

We at Holy Redeemer have ample opportunities for our children. It is our privilege to support our wonderful staff and enhance the educational opportunities our children are exposed to every day.

This could not be done without parents stepping up to the plate and volunteering their time and talents. As stated in our handbook it is a **requirement of each family to volunteer for a minimum of two committees per year**. Please consider this your opportunity to choose the committees that most fit your talents.

Many of the committee chairpersons are returning again this year. If you have an interest in co-chairing a committee, please make a note of that on the sign-up sheet. It is a great way to learn how to manage a committee without the fear of doing it by yourself. Eventually the parents who have chaired committees will no longer have students in HRS, so therefore would not be offering their service.

Please note that Camp Foley and the 8 th Grade Carnival do not count as volunteer projects. Camp Foley is a project for 6 th grade parents and the carnival is a project for 8 th grade parents.

For your convenience a committee sign-up sheet is attached. We are asking that each family consider what they can do for our children, fill out the attached document and return it to the school office by **May 15th**.

Descriptions of each committees' duties/responsibilities can be found on the school website: www.holyredeemerschools.com. Click on: 'Parent' tab then 'Resources' and finally 'Parent Volunteer Committee Descriptions.'

Thank you for your prompt attention. Holy Redeemer volunteers are the best!

Book Fair: This fundraiser is the main source of income for providing materials (excluding magazine subscriptions) for the school library. The book fair requires a number of parent volunteers who are enlisted to help with the set up and dismantling of the shelving and materials, processing the purchases and advertising of the fundraiser itself. Each student and family is provided the opportunity to “shop” the book fair. It will be held in December during the week of the Camp Foley breakfast.

This fundraiser not only provides a wonderful tool of supplementing the school library or your personal home library, but also allows the teachers to make “wish lists” for new reading material within their classrooms for which parents can “gift purchase” if they so choose.

Event date: Watch Thursday folder for details.

Box tops for Education: This fundraiser is as simple as cutting the “Box Tops” label from General Mills products. Everyone is encouraged to participate. Once you have an amount collected, simply send them to school with your child. The box tops are counted and forwarded to the company. The company in turn reimburses the participating school with a check. In past years, the box top project has raised over \$1,200 a year! Those funds have helped with many classroom expenses. This project can be done from home.
