# Preschool Religion

**At all levels of preschool we use the Catechesis of the Good Shepherd program. This hands-on approach to discovering the faith is held in a special room called the atrium.**

## Atrium

The Catechesis of the Good Shepherd is an approach to the religious formation of children. It is rooted in the Bible, the liturgy of the church, and the educational principles of Maria Montessori. In this approach there is a room prepared for the children in which every object is to aid in their knowledge of God. It is a place of simplicity and order, prayer and work, and community.

Everything in this room, known as the “Atrium”, is appropriate to the ages and sizes of the children who gather there.

## Materials

The materials in the atrium are attractively displayed inviting children to explore the faith at their own pace. The shelves include maps of Israel along with miniature figures representing the elements of the parables and historical events from Scripture that have been shown to satisfy the spiritual needs of the children.

Children spend time enjoying and nurturing a relationship with the Good Shepherd. Materials and presentations on the life of Christ and His teaching help make the great mystery of who God is more understandable for the children.

- Through geography, the words of the prophets, and infancy narratives, Jesus is established as a real person.
- The Paschal narratives are treated similarly, using model cities of Jerusalem, empty tombs, and cenacles for the Last Supper.
- Selected parables further the child’s wonder and curiosity about the great mystery of the Kingdom of God.
- Children become familiar with the articles of Baptism, and gestures and articles of Eucharist.
- A prayer corner located in the atrium reflects the liturgical time of year with appropriate colors, prayer, songs, artwork, and readings.

The trained adults in the atrium or “catechists” present passages of Scripture and together they ask questions and wonder: “God who are you? How do you love us? What is the kingdom of God like? What is our place in it?”
